BIBLICAL WORLDVIEW  
STUDENT CONFERENCE

FOR HIGH SCHOOL &  
COLLEGE STUDENTS

with special guest speaker  
**JOEL BEEKE**

**MAY 29 - JUNE 3**  
MILLIGAN, TENNESSEE

## **WHY A WORLDVIEW CONFERENCE?**

**CHRISTIAN STUDENTS KNOW LIFE IS MORE THAN FUN AND GAMES.**

**They need and welcome access to answers to life's issues through God's wisdom. Increasingly the favorite sport of many college professors and those speaking loudest in society is to ridicule the Christian faith and its application to all of life. Through the Biblical Worldview Student Conference (BWSC), Christian young people will be better trained to be discerning, thoughtful, ready and able to handle the intellectual warfare of a culture increasingly hostile to Christianity. God's Spirit is working to prepare the next generation to use God's Word toward building God-honoring change in the world. Each year, outstanding instructors with the gift of communication challenge students. Their desire is to equip and encourage youth, not only with answers of truth, but a life walk abiding in the Truth, the Lord Jesus Christ. Students profit through personal interaction with instructors and fellowship with those their own age from across North America. Quality friendships are formed that will last a lifetime.**

**Cuurrent and prior sessions are recorded and posted at the BWSC website under the media tab.**
