## Student Covenant & Signature:

The Biblical Worldview Student Conference (BWSC) is a leadership training/study conference for faithful Christian students. The speakers and staff are committed to helping you grow. The development of Christian character includes taking responsibility for your own life and conduct. Please read the following covenant carefully.

- The Bible says that Christians should “think on things that are excellent” and “avoid all appearance of evil.” I will accept personal responsibility to do those things that are expected of me “as unto the Lord.” I will maintain the highest moral standards and present a clear personal witness through respectful proper conduct and modest dress (that does not cause my brother to stumble). I will not use any illegal substances or offensive language. I will not go onto the floor or hall wings of the opposite sex without the permission and accompaniment of a counselor. I will abide by the BWSC policy of no public (or private) displays of affection.
- I will be prompt and attentive for all lectures and display a servant attitude toward my fellow students, staff, and speakers. I will not distract others with either my conduct or my use of technology in lectures.
- I will not bring anything that would detract from the conference such as inappropriate literature or media.
- I will respect the property, privacy, and rights of others, including those not associated with the BWSC. I will respect the property and wishes of our host, Milligan College.
- I will abide by the CURFEW and NO SMOKING policies while I am at this conference.
- I will obey the rules and submit to the authority of Directors and staff. I fully understand that defiant behavior will not be tolerated.
- I support the right of Westminster Presbyterian Church to dismiss permanently from the conference any student for any behavior the staff deems defiant or ungodly. I understand that no refund will be granted under such circumstances and those parents or guardians will be responsible for retrieving the expelled student at time of expulsion upon notification.

*I have read and agree with the terms of this application and Student Covenant. I understand that this is a five-day academic program, not a vacation, and I am willing to complete the course. I understand that I may be asked to leave if I do not abide by the conditions of this signed covenant.*
